Hi folks, while I don't want to work on the committee, I would like to be considered for one of the next opportunities to serve on the board. As a member since 1972 and a corporate member since 1977 or so I've been active in sailing and education for many years, hold a 100 uscg masters license and own a 35ft sailing catamaran in downtown Boston. I am also uscg certified to actively teach the 100 ton masters course which I do through captainsticket.com. anyway I won't make this any longer so thanks and hope to hear from you at your convenience.
